CORROGARD 6 IN 1 MULTI- FUNCTIONAL OIL SPRAY

- **Aerol® Corrogard 6 in 1 Spray** is a Multifunctional penetrating oil spray, designed to provide six outstanding features. It penetrates rusted / jammed assemblies, lubricates mechanisms, displaces moisture from metal surfaces, stops squeaks in moving parts and protect metal surfaces against corrosion.
- The corrosion preventive properties meet IS 1154 Standards.

Applications:

It is used for Rust / Corrosion protection of freshly machined components, bearings, dies, moulds, drill-bills etc. Easy disassembly of frozen, rusted / jammed parts, assemblies and threaded joints. Cleaning, lubrication, weather protection and noise reduction of locks, hinges, chains, wire ropes, automotive assemblies, arms such as guns and pistols, gym and sports equipment and household equipment. Maintenance of typewriters, photocopies, printers, office and hospital furniture, automobiles, farm equipment, industrial machinery and electrical equipment.

Description

ADHESIVE GREASE SPRAY

- **Aerol® Adhesive Grease Spray** is a useful and handy service aid, which contains a modified, high performance grease and PTFE, in a spray can. The Grease sprays out like an oil but stick to the substrate like a grease without flowing off.
- **Other benefits:** The grease is resistant to high temperature (160°C), outdoor weather condition and water washout.

Applications:

It is especially useful for lubricating such components and assemblies that are subject to sudden movement after being stationary / inactive for long period of time. Lubrication of inaccessible parts & assemblies of machinery and automobiles.
