

Product Grade

Description

**EP GREASE,
NLGI 000, 00, 2 &
3
GRADE 2204**

- Excellent EP, AW
- Anti-rust properties for all types of bearings, machine elements and industrial applications.
- **Serviceable Temperature:** -30°C to 130°C
- **Pack Size:** 1, 18, 21 & 180 Kg

**LONG TERM
GREASE,
NLGI 2
GRADE 2205**

- High Drop Point > 260°C.
- Lubrication in wet, high load, slow speed with EP, AW, anti-rust properties and long life for all types of bearings, machine elements and industrial applications.
- **Serviceable Temperature:** -35°C to 170°C
- **Pack Size:** 1 & 21 Kg
